Resolutions relating to assignment of lands to Harijans passed in the West Thanjavur District Development Council in 1963–64 and action taken thereon :—

	Item number and subject number. (1)	*Extract of Resolution.* (2)	*Nature of action taken.* (3)
1	12	To assign the Government dry lands nearly 36 acres to the Harijans who are cultivating these lands who are residing in Tirupunavasal colony in Arantangi taluk.	No applications for assignment of Government dry lands for Harijans were pending with Revenue Divisional Officer, Pattukkottai, on the subject. Immediate steps will no doubt be taken if applications are received for assignment in the village.
2	121	To expedite disposal of applications for assignment of lands in R. S. No. 113 to the 23 families of Harijans in Padirakkudi village.	R. S. No. 133 of Padarakudi village measuring 20·08 acres is classified as "grazing ground poramboke". The Tahsildar, Arantangi has not recommended the request for the following reasons :— (i) It is vested in the Local Panchayat which is objecting to its assignment ; (ii) Villagers insist on its continuance for use as grazing ground for which it is at present used ; and (iii) This available grazing ground is still found not adequate for the 700 and odd cattle in the village.
3	122	To expedite assignment of lands and house-sites to the 75 Scheduled Castes families in Vadakku Manamelkudi village and to the landless poor in R. S. No. 152-2 of North Manamelkudi village.	There are no assignment applications pending with Revenue Divisional Office, Pattukkottai, relating to Vadakkumanamelkudi village. The Divisional Welfare Officer has taken steps for the allotment of house-sites to the Harijans.
	126	To expedite the desposal of applications for assignment of poramboke lands in Rethinakottai village by the Harijans.	Six Harijans of Rethinakottai village applied to Revenue Divisional Officer, Pattukottai, for assignment of lands in R.S. No. 185 of the village on behalf of 26 persons. As these were no individual applications assignment was not possible. Action has since been taken to obtain separate applications specifying the extents required by each and to assign the lands.
